Madlena Minasian, President
North Hills West Neighborhood Council

Dear Ms. Minasian,

The Friends of the Mid-Valley Regional Branch Library and library staff would like to thank you and the members of the North Hills West Neighborhood Council (NHWNC) for generously funding the \$1,729.50 grant to purchase a portable projector for the Mid-Valley Regional Branch Library.

The projector will be used in the library's community meeting room and the computer training room to conduct visual presentations and stream videos to the public and library staff. With this generous grant, the library will once again resume its popular movie showings which brings senior citizens, families and teens to this free community event. The portable projector will also be available for use by the NHWNC. We are happy to report that the projector has been received and will be used on May 20, 2023, for the library's LA Made: Flower Songs Music program.

Thank you for your leadership in helping to secure the grant.

Sincerely,

Nancy Bower, Treasurer
Friends of the Mid-Valley Regional Branch Library
